

Are you interested in learning more about CPRE?

Tuesday 4th July, 7pm
Harper Adams University

At a CPRE meeting held in High Ercall last year, it was clear that there is a role for CPRE for both urban and rural areas as the countryside is an important part of the entire Borough. Representatives of all Parish & Town Councils and local organisations will all be welcome. This is an open invitation to anyone who cares about Telford & Wrekin Borough

CPRE can respond to planning application consultations, campaign for policy changes locally and nationally and is a useful organisation full of information which can assist members of the public.

So come and join us on the 4th of July for a meet and greet of like-minded people interested in seeing Telford & Wrekin have its very own CPRE district group!

Light refreshments will be available, but please book in advance for numbers.

Please register your interest to attend with Katrina or Connor:
