

## Village Gardening Group

This year has seen the beginning of what we hope to be a successful Village Gardening Group.

On behalf of the Parish Council, this group aims to keep the floral areas of the village looking lovely. The full remit, of this is still being formed and over the next few months the group will be looking for volunteers to help.

We have already made a start on the flower bed at Shrewsbury Road Car Park and this has been weeded and new plants that will be colourful all year round have been planted and also some of the wildflowers left to compliment this.
