INFORMATION ABOUT THE MEETING SCHEDULE

Every Full Council Meeting begins with a 'public session' during which any resident may raise matters of concern or interest. A warm invitation is extended to everyone who lives in the Parish to attend our meetings - either to participate in the public session or to sit in and listen to the whole meeting.

Zoom Video Conferencing will be used for Committee Working Groups or when face to face meetings are not possible. These meetings are also open for the public to attend. Please contact the Clerk and the link will be forwarded to you before the meeting.

It may be necessary to call other Committee Meetings throughout the year depending on the work of the Council. Planning Meetings are arranged as required, this may include consultation meetings with the public; these will be advertised and will take place in the Main Hall at the Village Hall.

The Annual Parish Meeting is a meeting of residents and not a Parish Council meeting, it will therefore take place via Zoom conferencing to encourage more people to attend.

All agendas and minutes are available on the Parish Council website.

If you register on our website, you will receive notifications when fresh 'news' and 'events' items are added.
