H2022/127 Road Safety

a) Outside of the Primary School and Owls

TWC had confirmed that information and model documents had been forwarded to the school following our meeting in September of 2021.

It was agreed that a follow on meeting should be arranged with the Headteacher to establish progress made.

- b) B5062
This has been added to the Agenda for the meeting with HAU on Friday in order to gather the information available before further discussions can take place with TWC.
- c) Chairman’s Highways Report
TWC has confirmed that this document has been received and will be used in future discussions and planning. Unfortunately, however, due to covid and other pressures, this has not been possible before.

H2022/128 Community Speedwatch

We are still waiting for some forms to be returned, from existing volunteers and from new recruits. These will be forwarded for security checks and then a training session will be arranged with West Mercia Police. A site for Marsh Road is still required.
