

HELICOPTER LIAISON GROUP REPORT

The Helicopter Liaison Group have resumed their face-to-face meetings. RAF Shawbury have received some complaints regarding helicopter noise and these complaints are recorded and dealt with as they occur. There have been no complaints from Edgmond residents.

If you are organising an equestrian event of any other event, where you think that the noise of helicopters would be a disturbance, then please let RAF Shawbury (Tel : 01939 250351) know in advance so that they can adjust their helicopter flights accordingly.
