

## **Edgmond Annual Parish Meeting 2022 - PCSO**

No real update as such, but I would be grateful if you could mention the below please:-

Using the Operation Snap web portal, members of the public can report and submit (via a [secure online External Link](#)) digital footage showing potential traffic offences. This can range from driving dangerously or carelessly to overtaking on solid white lines, using a mobile phone while driving, ignoring traffic lights or dangerous driving around other road users, such as horse riders and cyclists. Submissions are sent to West Mercia Police where the evidence will be reviewed by one of our experienced road policing police officers. Offenders are prosecuted when the evidence is appropriate. Any footage submitted through the portal can also be used by us to help educate other road users and to advise on case results.
