#### **P2015/40 Welcome & Apologies**

The Chairman welcomed members to the meeting of the Planning Committee.

Apologies had been received from Cllr P Doherty who is on holiday.

#### **P2015/41 Declarations of Interest**

None

#### **P2015/42 New Planning Applications for consideration**

**TWC/2015/0936**

Single storey extension with porch and roof alterations at 17 Marsh Road, Edgmond

**RESOLVED to have no objections, but to point out that this application is retrospective as Cllr Ryan confirmed the extension and porch had already been constructed. It was also noted that there is a first floor extension over the area of the extension.**

**TWC/2015/0951**

Dwelling, garage and access on land adjacent to 81 Newport Road

**Members recalled their concerns and objections, however it was noted that planning consent for the house had already been granted. The new application was to allow the garage to be constructed at the same time as the house. RESOLVED that a condition should be added to any consent to confirm that no application for change of use to 'residential' should be allowed in the future.**

**TWC/2015/0970**

5 flood lights on land at HAU

**RESOLVED to have no objections to the proposed lights but to ask for an assurance that the appropriate light fittings were installed to protect the village from light pollution.**

**TWC/2015/0969**  
Replacement Glasshouse at HAU

**RESOLVED that the Parish Council would support this application.**

There being no further business, the Chairman closed the meeting at 7.20pm.
